

## **E-Z WALL CONCENTRATE**

**DESCRIPTION:**

California Stucco E-Z Concentrate is a pre-blended cement BASE product containing chopped glass fiber strands and proprietary modifiers. The mixture is packaged in 70-lb bags. Add 18 shovels of sand to each bag of concentrate.

**SAND:**

Must be clean and free from deleterious amounts of loam, clay, silt, soluble salts, and organic matter. Sand must be graded within the following limits:
